

DAV RAO HARISHCHANDRA ARYA PUBLIC SCHOOL NAGPUR

Report on Eco-Friendly Ganesh Idol Making Activity

Date: 21-09-2026

School organised a Ganesh Idol Making Activity titled “My Eco-Ganesha” on Monday, 21st September 2026 for students from Pre-Primary to Class VII.

The activity aimed to promote creativity, environmental awareness, and respect for Indian traditions among students. The students enthusiastically participated in making beautiful Lord Ganesha idols using clay and other eco-friendly, biodegradable materials. They decorated their idols with small ornaments, flowers, leaves, and other decorative items.

The activity provided students with an opportunity to express their creativity while understanding the importance of celebrating festivals in an eco-friendly and sustainable manner. Teachers guided and encouraged the students throughout the activity, making it an enjoyable and meaningful learning experience.

The handmade idols were displayed during the Ganesh Idol Exhibition held on Tuesday, 22nd September 2026, followed by Ganesh Aarti and Prasadam distribution.

The activity successfully combined creativity, environmental consciousness, cultural values, and devotion, leaving students with a memorable and enriching experience.
