

DAV RAO HARISCHANDRA
ARYA PUBLIC SCHOOL

NAGPUR

PRE PRIMARY ACTIVITIES

- RED DAY CELEBRATION

REPORT

The pre-primary section of DAV Nagpur celebrated RED DAY in the school premises. The event aimed to introduce young learners to the colour RED, exploring its significance and versatility through various activities.

UKG COMMUNITY HELPERS ACTIVITIES

This activity aimed to focus on introducing young children to the concept of people who perform important jobs in their community to help others, like Doctors, Teachers, Policemen, Soldiers, etc.

LKG ALPHABET LETTER C ACTIVITY

The purpose of this activity to promotes cognitive development by enhancing memory, attention and problem solving abilities and helping children to make connections between sounds and letters.

UKG SINK AND FLOAT ACTIVITY

This activity encourages children to think critically by making predictions about whether an object will sink or float, as they observe and compare results, they develop their reasoning skills.

ART AND CRAFT ACTIVITIES

GREEN DAY AND NATURE WALK ACTIVITY

A nature walk is a great way to explore the outdoors and learn about different plants, trees and insects.

Green Day Activity is an exciting activity. Through this activity kindergarten kids learnt to take care of our environment. highlight the celebration of the colour GREEN, focusing on activities that introduce the concept of nature, plants and environmental awareness through fun and play.

EVS FRUITS ACTIVITY

Children learnt different types of fruits, expanding their vocabulary related to fruits, promoting healthy eating habits. This activity developing sensory awareness through sight, touch and taste.

CELEBRATION OF FESTIVALS

“The richness and depth of celebrations express a culture accurately.”

Celebrating events and festivals in school has become an integral part of learning and building a strong cultural belief.

COLOURFUL RANGOLI ACTIVITY

Rangoli play is an important for early childhood. By this activity kids develop their social, cognitive and motor skills.

LKG NUMBER WHEEL ACTIVITY

Numbers help kids to compare, measure, order, add, subtract and solve problems of all kinds. By this activity children gain a foundation for counting and mathematical skills that will serve them well throughout their lives.

THANK YOU
