

DAV PUBLIC SCHOOL, NAGPUR

Report on Co-Curricular Activities

To encourage confidence, creativity, and overall personality development, our school organized various competitions across different classes.

Pre-Primary Section: Rhyme Recitation Competition 🎤

A Rhyme Recitation Competition was held for the pre-primary students. The little ones enthusiastically presented beautiful rhymes with actions, expressions, and confidence. Their sweet voices and joyful participation filled the atmosphere with cheer. The event helped in enhancing their memory, speech, and stage confidence.

Class I & II: Show and Tell Activity 🍎

Students of Classes I and II participated in a “Show and Tell” activity. Each child brought an object of their choice and spoke a few sentences about it. The activity aimed at improving their vocabulary, speaking skills, and confidence in public speaking. The children participated with great excitement and shared interesting information.

Class I & II: Flower Making (Pencil Shaving)

A creative activity on Flower Making from Pencil Shavings was conducted for the students . The children used pencil shavings to design beautiful flowers on paper. This activity encouraged the students to use their imagination and creativity while learning to make artistic patterns with simple materials.

Classes III to VIII: Writing Competition 🖋️

A Writing Competition was conducted for Classes III to VIII. Students were given age-appropriate topics to express their thoughts creatively. The event provided them an opportunity to showcase their writing skills, vocabulary, and imagination. The competition also encouraged good handwriting, clarity of thought, and expression.

Conclusion

All the activities were conducted successfully with active participation from students. The events helped in building confidence, creativity, and communication skills among learners. The enthusiasm and energy displayed by the students made the competitions a grand success.
