

DAV RAO HARISHCHANDRA ARYA PUBLIC SCHOOL NAGPUR

Report on Fire Safety Drill and Awareness Program

Date: 17 April 2026

Venue: DAV Rao Harishchandra Arya Public School, Nagpur

DAV Rao Harishchandra Arya Public School, Nagpur, successfully conducted a Fire Safety Drill and Awareness Program on 17th April 2026 to enhance emergency preparedness among students and staff.

The program was organized with the objective of educating students about fire safety measures, evacuation procedures, and the proper use of fire extinguishers. The session was conducted under the guidance of Sub Fire Officers, Mr. Amol Kale and Mr. Kamdeo Bhoge from NMID.

The event commenced with an informative session on fire safety, where students were made aware of the causes of fire and preventive measures. The officers demonstrated the correct method of using fire extinguishers, explaining each step in a clear and practical manner.

A live fire drill was conducted on the school premises, where a simulated fire situation was created. Students and staff actively participated in the evacuation drill, following safety protocols in a calm and disciplined manner. The demonstration helped them understand how to respond quickly and safely during emergencies.

Key highlights of the program included:

- Explanation of evacuation procedures
- Hands-on demonstration of fire extinguishers
- Fire safety training for students and staff
- Emergency evacuation drill

The program proved to be highly informative and beneficial, instilling awareness and confidence among students to handle emergency situations effectively. Such initiatives play a crucial role in ensuring the safety and well-being of everyone in the school.

Conclusion:

The Fire Safety Drill and Awareness Program was a great success and served as an important step towards building a safe and prepared school environment.
