Report on Fireless Cooking Competition

Date: 18 July 2026

A Fireless Cooking Competition was organized on 18 July 2026 for students of Classes III to IX. Students enthusiastically prepared a variety of healthy and nutritious dishes without using fire, showcasing their creativity, culinary skills, and awareness of healthy eating habits. The competition encouraged teamwork, hygiene, and innovation while promoting safe cooking practices. The activity was a great success and was appreciated by all.
