Report on Good Touch and Bad Touch Workshop

Date: 22 September 2026

Organised by: Koshish Foundation

Classes: I to IV

School: DAV Rao Harishchandra Arya Public School, Nagpur

A Good Touch and Bad Touch Awareness Workshop was organised for the students of Classes I to IV on 22 September 2026 in collaboration with Koshish Foundation. The workshop aimed to create awareness among young learners about personal safety, body boundaries and appropriate and inappropriate touch.

The resource persons conducted the session in a child-friendly and interactive manner. Through age-appropriate examples, discussions and activities, students were guided to understand the difference between good touch, bad touch and confusing touch. They were also encouraged to recognise uncomfortable situations and understand the importance of saying “No”, moving away from an unsafe situation and immediately informing a trusted adult.

The workshop also emphasised that children should respect their own bodies as well as the personal boundaries of others. Students participated actively and confidently, sharing their thoughts and responding to the questions asked by the facilitators. The session was informative, engaging and valuable in developing awareness and confidence among the students. The workshop successfully reinforced the message that every child has the right to feel safe, respected and protected.
