Report on Fruit Day Celebration

Date: 18 July 2026

Fruit Day Celebration was organized on 18 July 2026 for students of Classes I and II. Students brought a variety of fresh fruits and participated enthusiastically in activities highlighting the importance of eating healthy. They learned about different fruits, their nutritional value, and the benefits of including them in their daily diet. The celebration promoted healthy eating habits in a fun and interactive way, making the event enjoyable and educational for all.
